

MR. MEN LITTLE MISS

MAKE YOUR OWN BUNTING

Add some colour to the Mr. Men Little Miss to get them ready for the King's royal visit!

Ask a grown up help you cut out your bunting

It's time to design your brilliant bunting!

You'll need:
Colouring tools
Tape or glue
String

Use your pens, pencils and craft kits to add lots of fun details to your designs. When you're done, ask a grown up to help you cut your flags out. Fold the top section of your flag over a long piece of string and stick down with tape or glue. Don't forget you can add more flags by printing another activity sheet out!
