Matching pairs game

Have fun matching cards that are the same with Little Miss Twins!

How to play

1. Stick the cards onto some plain card, then cut them out.
 2. Mix them up and spread them out on a table, face down.
 3. Take turns to pick up 2 cards at a time. If you've got a pair, keep it! If you haven't, put the cards back. Whoever finds the most pairs wins!
